FEATURED ARTISTS: WALTER TROUT, HONEY ISLAND SWAMP BAND, Special Guest Kate Moss and others!

Tivoli Turnhalle located at the Auraria Campus in Downtown Denver on March 23, 2019

Venue sponsored by the Hospitality, Tourism and Events Department at Metro State

Sponsorship Opportunities

Blue Star Connection, a program within the 501c3 non-profit Grand County Blues Society, is dedicated to providing musical instruments to medically-fragile children and young adults facing cancer and other life-challenging situations.

Taking up an instrument is an act of hope. It implies a future.

Since 2005 Blue Star Connection, a volunteer run program, has outfitted 65 Children's Hospitals with instruments and gear for music therapy programs as well as providing more than 750 individual kids with instruments.

There are many more kids and Children's Hospitals waiting for instruments.

In 2014, Blue Star Connection received an award and national recognition from the American Music Therapy Association as a foremost advocate and sole organization supplying instruments for Children's Hospitals.

Your sponsorship will go directly to helping us with our mission. Please consider supporting Blue Star Connection by participating in our largest fundraising event in Denver, celebrating our 8th year in 2019.
